

Willow Tree Primary School Newsletter 6th December 2019

ATTENDANCE

Last week's attendance

Reception	96%
Year 1	89%
Year 2	97%
Year 3	98%
Year 4	97%
Year 5/6	97%

Whole School attendance 96%
Well done to Year 3 for the best attendance.

ST GABRIEL'S CHRISTMAS

PERFORMANCE

The children and staff had a wonderful time at the Christmas performance in St Gabriel's church.

A huge well done to all of the children who made us proud once again by walking sensibly and behaving beautifully.

Rev. Jonty Foster *'We had such a fun time hosting the B Tales performance yesterday. The Children from Willow Tree were wonderfully behaved and seemed to engage really well.'*

WINTER IS HERE!

Now the winter weather is well and truly kicking in, please ensure children attend school dressed appropriately, with winter coats, hats, scarves and gloves - this will mean they don't miss out on any outdoor activities.

HAND HYGIENE

We had school health in last week to work with our children. They explained the importance of clean hands and how not to spread germs, the children had fun examining their hands under a special light before and after washing them.

ACHIEVEMENTS

We love to hear all about the achievements and reward our children receive outside of school.

Share this on class dojo or send your child in with their awards and Mrs Riley will celebrate these in our Celebration Assembly every Friday.

CLASS DOJO

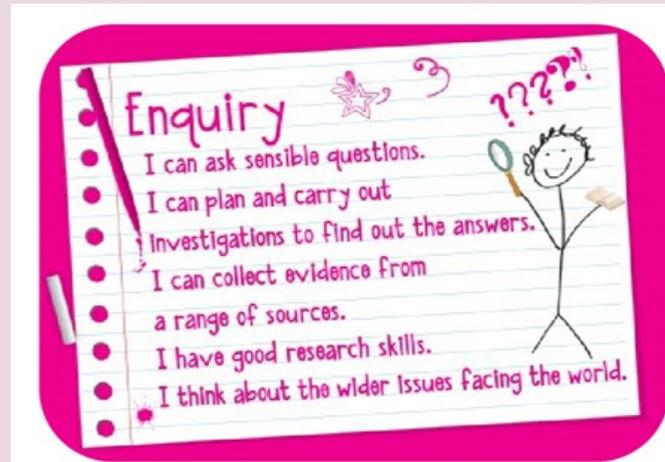

We are delighted to see how many parents have signed up already.

The class dojo app is free to use and is a very valuable tool which allows you to view some of the activities your child is doing within school.

If you would like to sign up ask your child's class teacher for the information.

OZZIE'S PERSONAL LEARNING GOAL

This week we have been developing an understanding of ENQUIRY!

Do your children demonstrate any of the above attributes of morality at home? Please share your examples with us on Class Dojo, we would love to see them!

COMFORT BREAK

We encourage parents of Key Stage 2 pupils to send their children in with a healthy snack and water for a mid-morning break. This helps boost children's energy and concentration to see them through till lunch time.

PUBLIC HEALTH

We have been informed by public health Knowsley that the Norovirus bug is apparent in schools at the moment. Please read the letter sent our previously in the week with information on symptoms and what to do should your child get this.
