### DINNER PAYMENTS REMINDER

Can I remind you that dinners are £2 per day and should be paid weekly in advance.

### CARONAVIRUS

In light of the recent outbreak of coronavirus COVID-19 we want to assure you that we take the health and safety of our students and staff very seriously. We are following advice from Public Health England, Government UK and Knowsley Council in relation to the global outbreak of Coronavirus (Covid-19). We will continue to update our website, twitter account and send out messages via text as and when we receive further information. Please continue to use this as your source of reliable information. We will continue to use both our messaging service and class dojo page to support passing on the messages from central government and any other important updates

Please ensure your child's contact details are up to date in the school office.
