PUNCTUALITY

We can not stress the importance of arriving on time each day. Not only does it set your child up for a positive day, it also teaches them responsibility and routine from a young age.

WELCOME BACK

We hope you all had a lovely half term.

Now to get back to work, we have some very important times ahead of us in May and June for the whole school but especially years 1,2,4 and 6 with phonics screening for year 1 SATS test for year 2 timetable check for 4 and SATS tests for year 6.

Our little people may need a few extra cuddles at home during this time.

TIK TOK

Lots of our children now use Tik Tok. It is the most downloaded app of 2019 and has over 1 billion users. It allows users to film videos of themselves and post them online, inviting comments and likes. It is an **OPEN** forum, which means that anyone can see the videos your child posts. Tik Tok used to be known as Musical.ly and has a guidance age of 13.' Parents **PLEASE** be aware of what your child is using on their laptop, tablet or phone. Please keep your child safe.
