Friday 18th September

Highlights of this week...

We love learning!

We have been super impressed with the way the children have returned to school and are embracing learning in a slightly different way. Behaviour in all classes has been exemplary. Well done children!

Daily mile!

As our children return to school, we think it is really important for health and wellbeing that they are outdoors being physically active. We have had a great time running 'the daily mile!'

Message from the Principal...

This year, we are very lucky to welcome Mr. Owens from Everton in the Community to our team. Mr. Owens will be teaching PE across school, alongside our classroom teachers.

During PE this week, the children have displayed great behaviour and shown the utmost respect to our new coach.

This makes me a very proud principal!

-Mrs Riley

Data Collection

Please ensure that you have updated your details with school by filling out a data collection and home time arrangements form.

It is really important that we have the most up to date information about your children.

Please call Mrs Fairclough in the office if you require a new form.

Children's University

As you may be aware, Children's University graduations for the academic year 2019/2020 were cancelled due to COVID-19, however we remain signed up to this excellent programme.

Children who collected enough hours will graduate in Summer term 2021 as long as COVID restrictions allow. We aim to get after school clubs up and running as soon as possible so children still have the opportunity to collect hours, however you can also collect hours by attending clubs outside of school. All you need to do is ask your club provider if they are signed up to Children's University.

School Applications

If you have a pre-school child who is due to start Reception in September 2021 or a year 6 child who will be starting secondary school at this time, you need to apply for a school place now.

You can apply online by visiting www.knowsley.gov.uk

If you need any further advice, contact Knowsley School Admissions Team via:

Dogs

Please note it is school policy that no dogs are allowed on our premises unless they are trained as a service animal, such as Guide Dogs.

We appreciate your understanding in this matter as it is for the health and safety of the children.

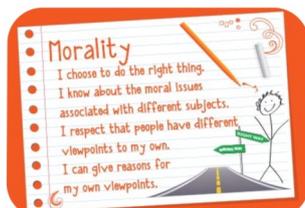

Flu Nasal Spray

Please note, this is due to take place in school on Wednesday 7th October 2020 for all children. If you haven't already, please can you return the completed form to school. Please ring the office if you require another form.

Our School Values

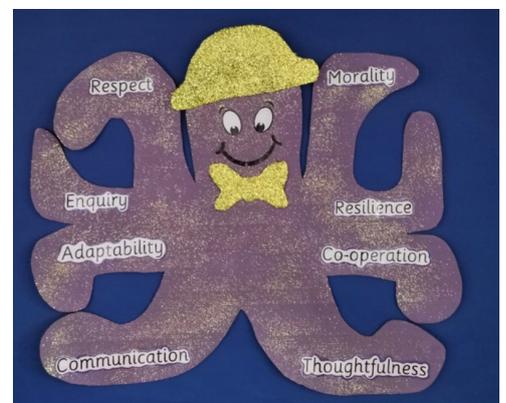

We have 8 values that we focus on in school everyday. We call them 'Personal Learning Goals' and Ozzie the Octopus is displayed all around school to remind the children of what all of the goals are.

This week, the children have been really focusing on 'morality' in school.

At home, talk to your child about making good choices and sharing their own points of view. important to respect the viewpoints of others too!

Remind them that it is also
