

Dear Parent/Guardian,

During this term, year 2 will be following a unit of work on a theme that focuses on significant events.

This unit of work is part of the International Primary Curriculum. This curriculum sets out very clearly what children will learn – the learning goals – in three different areas:

1. The subjects of the curriculum.
2. Personal development – the characteristics which will help children become more responsible, independent learners.
3. International understanding – which will help children develop both a sense of the independence of their own country and culture and the interdependence between countries and cultures.

Each unit of work is based around specific targets derived from the learning goals for one or more of the subjects.  
During this unit we will be focusing on History and International.

In History, we'll be finding out:

- How to create a timeline
- About events that are important to us
- How to use objects to find out more about an event
- About important events that happened in our local area
- How we can find out about an event by interviewing someone who was there
- How to use different sources to learn about a national event
- About events of global significance by asking and answering questions

In International, we'll be finding out:

- About different festivals from around the world
- How we can compare different festivals from around the world

All of the work we are going to do has been specially written to help your child reach the learning goals. Children will be reading, researching, writing, illustrating, working on their own and working in groups. We will be checking to see how well your child has learned through particular activities and asking children to explain their work, perhaps to you.

## Willow Tree Primary School

We already know the interest you take in your child's work. If you can, please discuss with your child the work they have done as the term progresses and let them teach you.

If your child has some work to research, please help them, but without actually doing the work. If you have the chance to further their interest in the ideas of this theme please take it, but your enthusiasm and interest is most important.

By the end of the unit, we hope your child has achieved all of the learning targets. We hope they have had an enjoyable time in the classroom. And we hope you have enjoyed seeing your child work with enthusiasm. If you have any comments or questions about your child's learning, please get in touch.

Kind regards,
