For the year 2019/20 we have been allocated £17,050 to spend on improving our PE provision at Willow Tree. We are using our sports funding his year to:

- Continue to embed and implement the new PE scheme throughout the whole school, based on the new national curriculum guidelines.
- Continue to hire specialist PE coaches to teach the PE scheme, alongside our staff, as a valuable staff training programme.
- Continue to build on the wide range of existing after school clubs we currently run with a focus on the Early Years. This will provide the children with even more opportunities to participate in a wide range of sports and activities.
- Replenish, update and add new resources and equipment ensuring high quality PE lessons are sustained. New equipment will also enable even more sports and activities to be delivered.
- Continue to provide the children with opportunities to participate in internal and external sports competitions to increase participation in competitive sport.
- Raise the profile of PE by inviting different sporting companies and local businesses into school, looking into visits from local professional role models and through awards during celebration assemblies linked to inter and intra-competitions.
- Electing ‘Sport Leaders’ to raise the profile of sport and clubs across the school.
- Hold sports days across school to allow children to experience competitive sport and increase participation.
