French Day!

French day was an opportunity to have fun using French, explore the subject through cross-curricular activities and raise the profile of the language we learn during our time in KS2.

By learning about different countries and cultures, it helps us to have a greater understanding of the world and the people who live in it . The children took part in lots of activities in school;

Children learned about the Eiffel Tower and they had a competition of who could build the tallest tower.

They completed art work in the style of French artist, they recreated 'The Snail' in the style of Henri Matisse.

We learned the history of Boules and they had their own class game.

Children took part in French food tasting. Unfortunately no frogs' legs or snail but most children seemed to enjoy the croissants.

They learnt about the history of Coco Chanel and designed their own clothes and hat in her style.

KS2 had a special guest, a teacher from Lord Derby Academy. The teacher worked with all classes across KS2 to focus on vocabulary.

We hope they told you all about their amazing day when they came home!

British Values

Schools are required to provide for the spiritual, moral, social and cultural development of their pupils. Part of this requirement means that they actively promote the fundamental British Values. The fundamental British Values are defined as;

- Democracy
- The Rule of Law
- Individual Liberty
- Mutual Respect
- Tolerance of different faiths and beliefs

Our focus this half term is Individual Liberty, The school aims to promote this British Value by individual freedoms to choose, faiths, beliefs and likes and dislikes. One example of the children using individual liberty this term was when the children have had the right to vote for their class school council and safety squad representatives.

Everton in the Community

We have Everton in the Community coaches in twice a week delivering our PE curriculum alongside our class teachers. This term Year 2 have been taught a dance unit. They would like to invite their parents in on **Wednesday 19th October at 2.45pm** to watch their dance performance.

Each class will have the same opportunity throughout the year.

Lavender Buddies

We would like to introduce you to Lavender Buddy. Mrs Wilkinson and Mrs Riley both have a lavender buddy in their rooms. They are there for any of children when they are struggling with a big emotion. It is a tool to help our children understand their feelings and emotions better and begin to change those negative feelings into positive ones. Managing big emotions themselves.

Punctuality

Please ensure that your child arrives on time for school. As Year 3 say;

'Five to 9...be on time!'

It is really important that your child is at school on time everyday to ensure that they do not miss out on important learning opportunities. Being consistently late can have big repercussions on a child's learning so please make an effort to be on time everyday.
