Highlights of this week...

This week we had our very first school council meeting of the academic year. Please join me in congratulating our new school council members; Stephen, Mohammad, Lexi, Ethan and Emily-Mae.

The children have already starting working hard to make our school a better place. Their first job, decide how we can make the front of our school more attractive and fun for our pupils. The children are in the process of planning how we can do this and the different things they would like to add to our Key Stage 2 playground. We will keep you posted on the progress.

What a treat!

This week we had some special people visit our school. Asmir Begovic, Everton goalkeeper and the Vikings Cheerleaders. A group of pupils from key stage 2 were drawn out of a hat to take part in some cheerleading and throwing practise with our special visitors.

The children had lots of fun and the visitors talked about how amazing our pupil behaviour and eagerness to learn were.
