Highlights of this week...

Welcome to The Great SPOTacular!

Today we all took part in an amazing day of fun, excitement, and fundraising by hosting a SPOTacular Children in Need Day. Our children look SPOTacular and have enjoyed a day of Children in Need activities. By taking part, we all supported children and young people that are experiencing new challenges due to the cost-of-living crisis. We know that times are really tough for everyone right now, but every penny raised helps BBC Children in Need make a difference to children and young people who need it most right now so thank you so much. We have raised £124.06

Reading at Willow Tree

At Willow Tree, we love reading and we want all our children to progress in this area, as well as developing a love for reading. We have recently invested in a new phonics scheme called Read Write Inc and it is having a positive impact. Please read as much as you can at home to support your child's reading journey. We encourage you to listen to your child read, but also read to them. Please make it a priority to ensure that your child is bringing their book to school every day.

Congratulations!

Personal Learning Goals

Our personal learning goals that we will be focusing on for the next two weeks are being 'ethical' and 'adaptable'.

The key person to represent being ethical will be Michelle Obama.

The key person to represent being a good adaptable will be Jane Austin.

It would be great if you could support the children to develop their knowledge of the key people and ask them about what they have learned when we study them in our upcoming assemblies!

Y6

Year 6 would like to welcome their parents into school to watch a dance performance and a clarinet performance.

Clarinet Performance 2.45pm on Thursday 1st December

Dance Performance 2.45pm on Wednesday 14th December

Throughout the year other year groups will have the same opportunities.

Governors

Along with Mrs. Johnson, Miss. Corrigan is our second staff governors. Her is a little message from her about why she wanted to take this role on.

'I decided to become a governor because I wanted to be more involved in the welfare of our children and to be part of a great governing body. I feel it is important to see how our children are achieving their goals and being a part of that is amazing. I am very proud of each and everyone of our children at Willow Tree.'

Anti-Bullying Week

This year, anti-bullying week will take place from Monday 14th November - Friday 18th November and the theme is 'Reach Out!'

Throughout the week, the children will participate in different activities linked to the theme. Children began the week with a whole school assembly during which they discuss who they could 'Reach Out' to if they felt they were being bullied or if they thought someone they knew was being bullied.

At the end of the week each class had a visit from our Local Community Police Officer, Hazel Dearden, who spoke to them about Bullying.
