Spotlight on learning for Y4

To start the new half term Year 4 have been working in their new Kagan teams. They enjoyed taking part in team building activities to develop their communication and problem-solving skills.

In English this week Year 4 have listened to three poems and then thought about the poetic features that the poet had used to capture the moment.

Bonfire Night!

We hope you all have a lovely time celebrating Bonfire Night this weekend. We know that there are some local displays such as the one at the 'Bombed Out Church' in town, which starts at 6pm on Saturday.

Our safety squad members wanted to remind you how to stay safe on this night. They shared these safety points with pupils in our celebration assembly.

1. Always stay with an adult and stay back from the fireworks.
2. Don't put sparklers near your face and put them in a bucket of water after you have used it.
3. Keep you animals in doors and safe.

Today, eight boys from year 5 and 6 went to Prescot Cables Football Pitch and represented our school in a Everton in the Community cross-school competition.

They demonstrated great effort, resilience and sportsmanship throughout the whole tournament.

Our Governors

Our governing body is made up of 2 staff members, 2 parent members, 2 community members and 2 co-operative. Over the coming weeks each governor will write a short message to introduce themselves.

Please see below a message from one of staff governors, Mrs Johnson.

'I started teaching at Willow Tree Primary School (Then Mosscroft Primary School), in September 2010. When the opportunity came for a staff member to join The Governing Body, I gave it a lot of thought. I wanted to support a school that welcomed me so quickly as teacher, and a school that quickly meant very much to me. I have always been proud to a Governor at the school, and always look forward to hearing about the progress and achievements of the pupils and staff.'

Be Spotacular!

We will be celebrating Children in Need this year, which is on Friday 18th November. On this day, children are encouraged to come into school wearing spotty clothes and will be taking part in different activities.

We know times are tough at the moment but if you can make a small donation to school, all money raised will be donated to this amazing charity. Thank you.
