## Highlights of this week...

Thank you to all our families for donating so much food on Gratitude Day. We have dropped all the donation off at our local food bank. They were so grateful!

## Visiting Our Local Community

Our local care home residents have served our community over the years, we wanted to create something for them to make them smile. Our amazing choir, led by Mrs Williams, visited the care home and sang a number of songs to the residents.

The residents thought the children were amazing and a credit to you and Willow Tree.

## Attendance

Well done to **Reception** for winning the weekly attendance, with an impressive **97.5%**  
Keep up the good work!!

## Red Nose Day: Crazy Hair Day!

On Friday 17th March we will be celebrating Red Nose Day. On this day children can come into school in their uniform but with a crazy hair do!

If possible a £1 donation would be warmly welcomed so that we can pass this on to the charity.

## Y6 Museum Visit

Y6 visited the museum for their Science Unit, Existing, Endangered, Extinct. The main focus was the aquarium and the natural history exhibit. We were able to see first hand many of the different classification groups, as well as begin to look at how there have been adaptations over time.

There was also a focus on conservation and looking after the planet which is closely linked with the geography section within their unit.

### Important Information Required

We have sent out new data collections forms.

Could I ask that everyone complete one for their child so that we have the most up-to-date information with regards to emergency contact and medical information.

Thank you.

## Reception Farm Visit

As an entry point to Receptions new IEYC unit 'Animal Rescue' our reception children visited Acorn Farm on Wednesday.

Children had a fantastic time looking at, feeding and holding lots of different farm animals.

## Congratulations!
